

## Leave a gift for your loved ones

The person you name as your beneficiary for your account in the Swarthmore College Regular Retirement Plan will inherit the money you've saved in your retirement plan account. If you:

- Haven't named a beneficiary, do so now.
- Have more than one plan account, designate a beneficiary for each one.

To name a beneficiary or change your beneficiary information, log on to your account at [vanguard.com/retirementplans](https://vanguard.com/retirementplans).\* When designating an individual as a beneficiary, you will need to provide that person's date of birth and either the person's mailing address or the last four digits of his or her Social Security number. You may also designate a trust or your estate as your beneficiary.
