Created on 10/5/2023
Swarthmore College is deeply committed to supporting the health and well-being of our community through offering a high-quality, competitive suite of benefits that meets the varied needs of our faculty and staff members, and that is offered at a fair and equitable cost.

The College benefits package includes coverage options for medical, dental, vision, disability, and life insurance, as well as pre-tax savings accounts — including Health Savings Accounts (HSA), Flexible Spending Accounts (FSA), Dependent Care Accounts (DCA), and Transportation/Parking FSAs — to help you better manage your care and expenses for your health, child care, and commuter needs. Alongside the benefits program, we offer community members a variety of health and well-being events and resources throughout the year, emphasizing the importance of preventative care and planning ahead.

This guidebook details our benefit offerings for 2024. New improvements to the medical plans include coverage for services related to gender dysphoria, providing access to essential gender-affirming care. Medical plans will now cover hearing aids and annual preventative hearing screening, with up to $3,000 for the purchase of hearing aids every three years. Independence will also launch its new virtual care network, Teladoc Health. Registration for this program is described in the guidebook. The MetLife Legal Plan, a voluntary benefit, was enhanced with four additional hours of counseling services without additional cost. You are encouraged to review the guidebook carefully as you consider what coverage options are right for you and your family and make your benefit elections for the coming year.

Please be aware that you must proactively enroll in the HSA, FSA, and DCA to select or continue in these benefits in 2024.

Our Human Resources team is available to assist you and answer any questions you may have. You may contact us by email at benefits@swarthmore.edu or by calling 610-328-8397.

**About this Benefits Guidebook**

This Benefits Guidebook describes the highlights of Swarthmore College’s benefits program in non-technical language. Your specific rights to benefits under the plan are governed solely, and in every respect, by the official plan documents, and not the information in this guidebook. If there is any discrepancy between the descriptions of the program elements as contained in this benefits guidebook and the official plan documents, the language in the official plan documents shall prevail as accurate. Please refer to the plan-specific documents published by each of the respective carriers for detailed plan information. You should be aware that any and all elements of Swarthmore College’s benefits program may be modified in the future, at any time, to meet Internal Revenue Service rules, or otherwise as decided by Swarthmore College.

**Medicare Part D Creditable Coverage Disclosure Notice**

If you and/or your dependent(s) have Medicare or will become eligible for Medicare in 2024, a federal law gives you more choices about your prescription drug coverage. Please see page 37 for more details and share this information with your dependent(s).
Plan Year
The Plan Year for Swarthmore College’s benefit programs begins on January 1, 2024 and ends on December 31, 2024.

Eligibility
You are considered benefit eligible if you have a regular position of 0.5 full-time equivalent (FTE), or multiple positions equal to 0.5 FTE, or greater. Benefits you elect and coverage provided by the College is effective the first day of the month following or coinciding with your first day of employment with the College, or the date you move into a benefits eligible position.

Dependent Coverage
Employees who are eligible to participate in Swarthmore College’s benefit programs may also enroll their dependents. For the purposes of our benefit plans, your eligible dependents are defined as follows:

• Your spouse: legal wife/husband or domestic partner
  • For your domestic partner to be eligible for coverage, you and your partner must meet specific criteria to qualify and must complete an Affidavit of Domestic Partnership before the benefits effective date. It is your responsibility to update this relationship via a Life Event change in Benefitfocus. Please note that employee premium contributions for domestic partners must be deducted from your pay on a post-tax basis.

• Your/your domestic partner’s children: eligible children are covered to age 26 (coverage continues to the end of the calendar year following their 26th birthday)
  • For medical: dependent children are eligible to age 26 regardless of student status, marital status, residency, or financial dependency
  • For dental, vision, voluntary life and voluntary AD&D insurance: unmarried dependent children are eligible to age 26
  • Your/your domestic partner’s children age 26 and over who are mentally or physically disabled and dependent upon you for support and maintenance (proof of condition and dependence must be submitted prior to age 26).

Benefitfocus
Benefitfocus serves as the enrollment site for Swarthmore College employees’ health and welfare benefits. The system simplifies the process for enrolling in and managing benefits during Open Enrollment and throughout the year. Benefitfocus is your resource to make qualified mid-year changes, as allowed by plan rules, and it acts as the document repository for such changes.

Through Benefitfocus, you can learn about your benefit options and easily enroll in medical, dental, vision and life insurance plans. You can also manage your Health Savings Account (HSA), Flexible Spending Accounts (FSA), commuter benefits and more all through a single tool. When considering your medical plan choices, Benefitfocus can compare your out-of-pocket costs and payroll contributions under various plan options, to help you select the plan that is right for you.

Log into your mySwarthmore account to access the Benefitfocus portal. You can also access the portal from a mobile device by scanning the QR code to the right, or downloading the Benefitfocus mobile app from the Google Play or the Apple App Store; use the company code Swarthmore.
Medical Plan Options

Swarthmore College will continue to offer employees a choice of four medical plans for 2024. The HDHP, Basic HDHP, HMO and PPO plans will continue for 2024, and will again be administered by Independence Blue Cross (Independence).

The High Deductible Health Plans (HDHP): both the Basic HDHP and the HDHP feature no payroll cost (Basic HDHP) or a low payroll cost (HDHP) as compared to the HMO and PPO plans. The HDHPs have a higher annual deductible that applies to all services (except preventive care) which must be met before the plan will pay benefits. These HDHPs may be paired with a Health Savings Account (HSA), which includes a contribution from the College. An HSA allows you to set aside funds on a pre-tax basis to pay for qualified medical care (including deductibles and copays). See page 10 of this guidebook for information on Health Savings Accounts.

The Basic HDHP is available to employees with no payroll cost for 2024. This plan features:

- an “embedded” deductible, meaning if one family member meets the individual deductible, their deductible is satisfied for the year even if the family doesn’t collectively satisfy the family deductible
- coinsurance which applies once the deductible is met; the plan will pay 90% and you will pay 10% of the plan’s allowed amount.

The HDHP deductible works differently. Consistent with past years, this plan includes an aggregate deductible. For employees who have dependent(s) enrolled, the full family deductible must be satisfied before the plan pays benefits for non-preventive services. The individual deductible applies only to employees who do not have any dependents enrolled.

HDHP and Basic HDHP deductibles and out-of-pocket maximums are combined for in-network and out-of-network expenses. Enrolling in the Health Savings Account will help to offset these out-of-pocket expenses.
Medical Benefits —

**HDHP Preventive Prescription Drugs:** Both HDHPs include an enhancement to waive the deductible for a specific list of prescription drugs used for treatment of these chronic conditions: asthma, COPD, diabetes, high blood pressure, high cholesterol, mental/emotional disorders, osteoporosis, as well as pre-natal vitamins. If you are enrolled in an HDHP, login to ibxpress.com to access the drug formulary navigator tool to see if the deductible applies to your medications, or refer to the Basic HDHP & HDHP Preventive Prescription Drug list from Independence, found in the Online Resources available with this Benefits Guidebook (see page 31).

**The Keystone HMO Plan:** this Health Maintenance Organization plan requires you to select a Primary Care Physician (PCP) who coordinates your care and authorizes visits to specialists or other providers for in-network services. Generally, you will pay a copay when you visit your PCP or a specialist, and when you receive a service from any other in-network provider. For certain services (x-ray, lab, podiatry, and physical/occupational therapy) your PCP is contractually required to refer you to a designated network location. Please note: referrals can be issued electronically and can be written for up to 90 days. You may change your PCP at any time, which may also change your designated network locations for the ancillary services as noted above.

**The PPO Plan:** allows you and your dependents to visit the physician, specialist or hospital of your choosing without designating a PCP or obtaining referrals. Copays apply for in-network services. This plan option has a deductible and coinsurance for out-of-network services and has a higher employee payroll contribution than the other plan options.

Balance billing will apply when you see non-participating providers. Out-of-network expenses are paid at the stated percentage (after the deductible) of the lesser of the provider’s charge or Medicare’s allowable amount.

**In-Network Providers**

Search for participating providers for all plans on the Independence website. While the PPO, HDHP and Basic HDHP members use the Personal Choice PPO network and have access to the National BlueCard PPO network, HMO members use the Keystone HMO network. Login to ibxpress.com to search for participating doctors, hospitals, pharmacies, therapists, etc.

**New for 2024!**

**Enhanced Gender Dysphoria Coverage and New Hearing Benefits**

Starting January 1, 2024, all Swarthmore medical plans will include coverage for services related to gender dysphoria, providing access to essential gender-affirming care. In addition all plans will cover an annual preventative hearing screening at no cost to you (it must be submitted as a preventive service by your in-network provider to be covered in full). Benefits also include one hearing device per ear, every 3 years, up to a $3,000 maximum. Benefits payable for devices are subject to applicable plan deductibles and coinsurance.
Medical Benefits

Infertility Treatment

While the benefits differ under each of our four medical plan options, each plan generally covers the same services in some way. Treatment of infertility is different in that certain services are not a covered benefit under each of our plans. Covered services for each plan include:

- HMO – diagnosis of infertility, counseling and artificial insemination
- PPO – diagnosis of infertility and counseling
- HDHP & Basic HDHP – diagnosis of infertility, counseling, artificial insemination and assisted fertilization, up to a $30,000 lifetime maximum.

Livongo Diabetes Management

Livongo is designed to help individuals manage their diabetes, by understanding their blood sugar and developing healthy lifestyles to improve their glycemic control. Swarthmore members with diabetes should expect to be contacted by Livongo; members will be identified via claims submitted with a diabetes diagnosis.

Eligible members will receive a Livongo Connected Blood Glucose Meter and unlimited glucose test strips, at no cost to the member. The Blood Glucose Meter connects to the Livongo cloud for real-time data analytics and monitoring.
Prescription Drugs

Coverage for prescription drugs is included with each medical plan; benefits for in-network and out-of-network services are outlined on the following pages. Search for participating pharmacies in your area from your ibxpress.com account. The Independence network includes more than 68,000 retail pharmacies nationwide, including CVS, Walmart and Target.

**REMINDER:** Each of Swarthmore’s plans allows you to purchase a 90-day fill of maintenance medications at any in-network retail pharmacy. To take advantage of this convenient option, you’ll need to provide the pharmacy with a script from your physician for a 90-day supply. Your cost to purchase a 90-day supply at an in-network retail pharmacy will be 3 times the copay charged for a 30-day supply (HDHP and Basic HDHP members must satisfy their deductible before copays apply, except for those medications on the HDHP preventive prescription drug list).

Home Delivery Pharmacy

If you take a maintenance medication for a chronic condition, you may be eligible to use the Home Delivery pharmacy services to purchase a fill of up to 90 days for your prescription drug. Home delivery of medications provides the convenience of fewer trips to the pharmacy, and also saves money – you’ll pay the equivalent of 2 monthly retail copays for a 3-month supply of your medication (HDHP and Basic HDHP members must satisfy their deductible before copays apply, except for those medications on the HDHP preventive prescription drug list). Independence is the only Home Delivery pharmacy that is in-network for Swarthmore’s plans.

**To utilize the Independence Home Delivery Pharmacy for the first time:**

- Contact your physician to request a prescription for a 90-day supply of your maintenance medication
- Complete the Independence **New Home Delivery Prescription Form**, and mail it to Independence with your physician’s prescription

There’s no cost for shipping unless overnight delivery is requested. To track delivery and request refills, login to ibxpress.com.
New Telehealth Network
Teladoc Health will replace MDLIVE as the virtual care network providing telehealth services beginning January 1, 2024, for all four medical plans. Telehealth services are virtual visits conducted via secure video or mobile app with a board-certified physician from the Teladoc network. Telehealth allows you and your eligible family members to address your medical concerns from the convenience of your home or office. Teladoc providers are available 24/7 to address simple medical issues (skin rash, cold/flu, pink eye, nausea, etc.); prescriptions can be written as needed.

Teladoc Health includes access to Behavioral Health and Dermatology services from Teladoc. See the Medical Plan Highlights in the following pages for details on your cost for these services.

You must register and activate your account with Teladoc (visit teladochealth.com, or call 1-800-835-2632), so you are ready to go when the need arises for your first Telehealth visit.

For employees in the HDHP or Basic HDHP, the 2024 cost of Teladoc services is as follows:

- General Medicine: $60
- Dermatology: $85
- Behavioral Health: $90 to $220
- HDHP and Basic HDHP participants will pay the full cost of service until their deductible has been satisfied for the year.

Preventive Care
No matter which Swarthmore College medical plan you choose, one thing is consistent with each plan option: preventive care is covered at 100%. What services are considered preventive care?

- Annual physical exam – keeping up with your annual preventive exams is an important way to stay healthy
- Flu shot – Swarthmore’s medical plans cover annual seasonal flu shots and COVID-19 immunizations at 100% if you visit an in-network provider
- Colorectal cancer screening for members age 45 and older:
  - Fecal occult blood testing – annually
  - Colonoscopy – every 10 years
- Well woman services
  - Pelvic and breast examination - annually
  - Mammogram – annually starting at age 40
  - PAP test – annually starting at age 21

This list is not all-inclusive; well child exams, routine immunizations, etc. also fall under the Preventive Care benefit.

WELL-BEING
Swarthmore College cares about you and your health. The College provides various opportunities to participate in well-being programs throughout the year; keep a lookout for your chance to engage in well-being activities!

Services and programs available to you include:

- Nutrition counseling for Weight Management - each of Swarthmore’s medical plan options covers 6 visits per year, payable at 100% if services are provided by an Independence participating provider
- Independence Healthy Lifestyles Reimbursements – earn up to $150 back on fitness center fees, an approved weight management program, and/or for tobacco cessation assistance
- Virtual Benefits Fair – see all the latest information from our benefits partners at our Virtual Benefits Fair.

Health Savings Account —

If you enroll in the High Deductible Health Plan or Basic High Deductible Health Plan (HDHP), you may be eligible to open an HSA. An HSA allows you to save pre-tax money through payroll deductions and to use those funds to pay for qualified medical expenses for you and your family (tax dependents). Qualified medical expenses include deductibles, copays, and coinsurance, as well as out-of-pocket expenses for dental and vision care. HSA funds can also be used to pay for retiree health care expenses, and COBRA premiums if you are no longer employed. You are not required to make your own HSA contributions, but you must enroll in the HSA, in Benefitfocus, to receive the College’s HSA contribution.

To be eligible for an HSA, you must be enrolled in an IRS-qualified HDHP, and you cannot have any other non-HDHP health coverage. This includes Medicare, Medicaid, coverage through your spouse’s or domestic partner’s employer, or a Health Care Flexible Spending Account. If your eligibility status changes and you don’t meet these criteria, you can still use the funds you’ve accumulated in your HSA, but you and your employer cannot contribute to your HSA.

Important Details Regarding HSAs

- An HSA is a bank account that is owned and controlled by you.
- When you enroll in an HDHP with Independence, you may also elect to enroll in an HSA via Benefitfocus and an account will be set-up for you with WealthCare Saver. **You must activate and set up your WealthCare account and debit card to be able to receive HSA contributions.**
- HSA contributions are made through pre-tax payroll deductions; you may also deposit directly (outside of payroll deductions).
- You will never forfeit money you have deposited. Unused funds remain in your account and roll over year after year.
- Once your HSA balance exceeds $500, amounts over $500 may be invested though investment options offered by WealthCare. You must retain a minimum of $500 in uninvested HSA funds.
- If you ever leave Swarthmore College, or disenroll from a Swarthmore HDHP, you may keep your account.
- Your HSA can be accessed online at [ibxpress.com](http://ibxpress.com); where you can view your account balance, transaction history and access online bill pay services to pay providers directly from your Health Savings Account.
- HSA Account Holders will receive an HSA debit card which can be used to pay for eligible expenses, including:
  - Eligible health care expenses not otherwise paid for by insurance
  - Expenses applied to your plan deductible, copays, and coinsurance
  - Over the counter medications
  - Dental and vision expenses not reimbursed by insurance.
- HSA funds can be used to pay for eligible expenses for you and your tax dependents. Your domestic partner may not use your HSA funds, but if they are enrolled in your HDHP plan may be able to establish their own HSA through a bank of their choosing.
- Important: WealthCare Saver will not request receipts to substantiate your HSA purchases. It is the HSA account holder’s responsibility to use HSA funds for eligible expenses, and to retain receipts for all HSA expenditures with your tax records.
- **You must enroll in the HSA each year; your election will not carry forward to the next plan year.**
2024 HSA Contribution Limits

The maximum amount that can be contributed to your HSA in 2024 is:

- $4,150 for employee only HDHP coverage
- $8,300 for all other HDHP coverage tiers (special rules apply if you cover a non-tax dependent)
- For HSA account holders age 55 or older, you may also make an annual catch-up contribution of up to $1,000.

These maximum amounts include any HSA contribution the College makes on your behalf.

Both the HDHP and Basic HDHP provide participants who are 0.75 FTE or higher with the same HSA contribution from the College:

- $1,000 for Employee Only coverage
- $2,000 if you enroll one or more dependents

Half of this contribution is made in January, and the balance is deposited in July.

There is no HSA contribution from the College for those who are less than 0.75 FTE.

Important Note: Even if you do not wish to contribute to an HSA, you may still be eligible to receive the HSA contribution that the College makes on your behalf, but you must enroll in the HSA in Benefitfocus to receive the College contribution.
Dental Plan Options

Swarthmore College offers employees a choice of two Dental Plans through Delta Dental: The Basic plan and the Buy-Up plan. The Basic Plan provides coverage for preventive care, as well as basic services and endodontics, but does not provide any coverage for major services or orthodontia. The Buy-Up plan provides coverage for preventive care, basic care, major restorative care. The Buy-Up plan also includes orthodontia coverage for employees, spouses, and domestic partners, as well as dependent children up to age 26.

Both plans grant you the freedom to obtain services from an in-network, participating Delta Dental provider, or an out-of-network provider. The level of benefits is the same for in and out-of-network services; however, utilizing a participating (in-network) dentist may result in savings for you because participating dentists have agreed to accept the insurance carrier’s fees as full payment for covered services. There is no balance billing for covered services provided by a participating dentist, so you will usually pay the least when you visit an in-network PPO dentist.

The **Diagnostic & Preventive (D&P) Maximum Waiver** benefit applies to both plans, meaning most diagnostic and preventive services will not affect your annual plan maximum. Claims paid for services such as routine exams, cleanings and x-rays will not accumulate towards your yearly benefit limit, allowing you to get the most from your dental plan.

**Looking for a Dentist?**

Visit: [www.deltadentalins.com](http://www.deltadentalins.com). On the homepage, complete the information under “Find a Dentist.” Select either the Delta Dental PPO or Delta Dental Premier Network. Both networks are available to Swarthmore members, but Delta Dental PPO dentists provide you with the greatest discounts.

Be sure to download the Delta Dental mobile app from the [App Store](http://App Store) or [Google Play](http://Google Play).

Vision Benefits

Vision Plan Options

Swarthmore College offers employees a choice of two vision plans through Independence, administered by Davis Vision. Each plan provides substantial savings on your eye-care purchases. Services are available through thousands of provider locations participating in the Davis Vision network. Go to [www.davisvision.com](http://www.davisvision.com) or call 1-800-999-5431 to find a nearby provider.

Be sure to download the Davis Vision mobile app from the [App Store](https://apps.apple.com) or [Google Play](https://play.google.com).

Medical Plans (Full-Time Employees)

For the 2024 plan year, for eligible employees who are 0.75 FTE or higher and are enrolled in the Basic HDHP or the HDHP, the College will contribute to your HSA: $1,000 if you enroll with Employee Only coverage or $2,000 if you cover one or more dependents, paid in 2 equal semi-annual deposits. This is in addition to the College’s costs for the HDHPs shown below. There is no employee or employer contribution to a Health Savings Account for those enrolled in the HMO or PPO.

</table>
Enrollment rules for the Annual Enrollment period are as follows:

- Eligible employees who are currently enrolled may increase coverage by one increment of earnings, up to the lesser of 3 times Annual Earnings or $200,000, without submission of an EOI Questionnaire.
- Eligible employees who are not currently enrolled who are past their initial enrollment period must submit an EOI Questionnaire for approval for any amount of coverage.
- Employees or dependents previously denied are not eligible for the annual enrollment opportunity.

Basic Life and AD&D Insurance
Swarthmore College provides benefit eligible employees who are 0.5 FTE or greater with Basic Life and AD&D Insurance of 1.5 times their annual earnings to a maximum of $200,000. Symetra insures these coverages for the College. Both coverages are 100% paid for by the College.

Supplemental Life & AD&D Insurance
Employees may elect to purchase supplemental life and/or supplemental AD&D insurance. Coverage is available up to the lesser of 5 times your annual earnings or $750,000 ($10,000 minimum). You must complete and submit Symetra’s Evidence of Insurability (EOI) Questionnaire when:

- Electing supplemental life insurance in excess of the lesser of 3 times Annual Earnings or $200,000;
- Requesting an increase of coverage by more than one multiple of Annual Earnings; or
- Electing coverage for the first time more than 31 days after you are first eligible (only permitted during open enrollment or within 31 days of a Qualifying Life Event).

Life and Disability —

Basic Life and AD&D Insurance
Swarthmore College provides benefit eligible employees who are 0.5 FTE or greater with Basic Life and AD&D Insurance of 1.5 times their annual earnings to a maximum of $200,000. Symetra insures these coverages for the College. Both coverages are 100% paid for by the College.

Supplemental Life & AD&D Insurance
Employees may elect to purchase supplemental life and/or supplemental AD&D insurance. Coverage is available up to the lesser of 5 times your annual earnings or $750,000 ($10,000 minimum). You must complete and submit Symetra’s Evidence of Insurability (EOI) Questionnaire when:

- Electing supplemental life insurance in excess of the lesser of 3 times Annual Earnings or $200,000;
- Requesting an increase of coverage by more than one multiple of Annual Earnings; or
- Electing coverage for the first time more than 31 days after you are first eligible (only permitted during open enrollment or within 31 days of a Qualifying Life Event).

Enrollment rules for the Annual Enrollment period are as follows:

- Eligible employees who are currently enrolled may increase coverage by one increment of earnings, up to the lesser of 3 times Annual Earnings or $200,000, without submission of an EOI Questionnaire.
- Eligible employees who are not currently enrolled who are past their initial enrollment period must submit an EOI Questionnaire for approval for any amount of coverage.
- Employees or dependents previously denied are not eligible for the annual enrollment opportunity.

Supplemental life coverage subject to EOI will be effective when approved by Symetra. The maximum employee supplemental life benefit for employees is the lesser of 5 times salary or $750,000.

For EOI requirements that apply outside of Annual Enrollment, please refer to the Symetra Life and AD&D Insurance certificate for details.

Spouse Life Insurance Coverage
Employees may also purchase life insurance for their spouse or domestic partner in $5,000 increments up to the lesser of $100,000 or the amount of the employee’s supplemental life insurance. Symetra’s EOI Questionnaire must be completed when spouse or domestic partner life insurance coverage is elected:

- In excess of $25,000; or
- For the first time more than 31 days after initially becoming eligible (only permitted during Open Enrollment or within 31 days of a Qualifying Life Event).

Employees must purchase supplemental life insurance for themselves in order to enroll their spouse or domestic partner. During the Annual Enrollment period, coverage for an employee’s spouse or domestic partner who is currently enrolled may be increased by one $5,000 increment, not to exceed a total coverage amount of $25,000, without having to submit an EOI Questionnaire.
Dependent Child(ren) Life Insurance Coverage

You may purchase insurance for your/your domestic partner’s dependent children in increments of $5,000 to a maximum of $20,000, but not more than the amount of the employee’s life insurance. Unmarried children are eligible up to age 26. Employees must purchase supplemental life insurance for themselves to purchase coverage for their child(ren). The cost of this coverage is the same if you cover one or more children. Unlike coverage for you or your spouse or domestic partner, the cost of this coverage is a flat rate per each $1,000 of coverage (it is not rated based on age).

Supplemental Accidental Death & Dismemberment (AD&D) Coverage

You may purchase Supplemental AD&D coverage for yourself for an amount up to the lesser of 5 times your annual salary or $750,000. You may also elect Family Supplemental AD&D coverage, where the benefit amount for your dependents is a percentage of the benefit you elect for yourself:

- Spouse only: 50% of employee supplemental AD&D coverage, up to a maximum of $375,000
- Child(ren) only: 15% of employee supplemental AD&D coverage, up to a maximum of $50,000
- Spouse and child(ren):
  - Spouse benefit: 40% of employee supplemental AD&D coverage, up to a maximum of $375,000
  - Child(ren) benefit: 10% of employee supplemental AD&D coverage, up to a maximum of $50,000

Employees must purchase Supplemental AD&D insurance for themselves in order to enroll their spouse, domestic partner or children.

Staff Short Term Disability/Salary Continuation Plan

Swarthmore College provides benefit eligible employees of 0.5 or greater with Short Term Disability (STD) coverage, effective the 1st of the month following or coinciding with your date of hire or the date you move into a benefits-eligible position. If you are disabled and unable to work, you may be eligible for continuation of income under the Salary Continuation Plan (SCP). Benefit eligible employees are eligible for the SCP on the 61st day of employment. Salary Continuation benefits begin on the 3rd week of disability due to a non-work related illness or injury and are payable for up to 26 weeks (including the initial 14 days of disability). Accrued sick and/or vacation days are paid during the first 2 weeks of disability leave. If all accrued sick and/or vacation days have been exhausted, the first 2 weeks will be unpaid. The benefit you receive varies based upon the length of your disability absence and your length of service with Swarthmore College.

| Weeks 14 - 26       | 60% of base pay                              |
Life and Disability —

Long Term Disability

Long Term Disability (LTD) insurance is purchased by the College for all benefit eligible employees of 0.75 FTE or greater. LTD insurance provides a continuation of income if you are disabled and unable to return to work after six months. The LTD benefit is 60% of your pre-disability earnings, payable up to your maximum monthly benefit; the duration of these benefits is based upon your ongoing disability status and your age at the time your disability began.

LTD premiums are based upon your salary and your maximum available LTD benefit. For employees who are enrolled for payment of LTD premiums on an after-tax basis, the College will add the value of the premium to your paycheck (subject to taxes), then deduct the cost of coverage, thus, allowing you to pay the tax on the value of the premium and receive a tax-free LTD benefit. Employees who do not pay the tax on the value of the LTD premium (pre-tax option), any LTD benefits paid to you will be subject to applicable income taxes.

For more details, refer to the Taxation Explanation Document found on the Human Resources homepage.

- **Pre-tax Option:**
  This option is only available to employees who were enrolled prior to November 2014. In the event that LTD benefits are payable, the payments you receive will be subject to applicable income taxes.

- **Post-tax Option:**
  You pay taxes on the premiums the College pays on your behalf. As a result, if you receive LTD benefits the income you receive will not be federally taxable. The post-tax option is a permanent election and applies to all employees hired after November 2014.

Disability Claim Process

When you will be out of work due to illness or injury, please contact benefits@swarthmore.edu and/or the Provost office for information on the claim process.

HEALTH CARE, LIMITED PURPOSE AND DEPENDENT CARE SPENDING ACCOUNTS ALL REQUIRE ENROLLMENT EACH YEAR. Your election will not roll over to the new plan year.

Health Care FSA

A Health Care Flexible Spending Account (FSA), administered by PayFlex, provides you with the ability to save money on a pre-tax basis to pay for any IRS-allowed medical, prescription drug, dental or vision expenses that are not otherwise covered by insurance. Examples of these types of expenses include:

• Deductibles, copayments and coinsurance,
• Expenses for medical services or supplies not paid for by your insurance plan,
• Dental, vision and hearing care expenses not otherwise paid by insurance,
• Over the counter medications, including feminine menstrual care products (no prescription required).

Your annual contribution of up to the maximum permitted by the IRS ($3,050 for 2023) is divided by your number of pay periods and that amount will be deducted each pay period on a pre-tax basis, reducing your taxable income. The amount you elect may not be changed or revoked during the plan year unless you experience a qualifying life event. You may not transfer funds between a Health Care FSA and a Dependent Care FSA.

**Carryovers:** Unused balances of up to the maximum permitted by the IRS (20% of the annual election maximum, or $610 for 2023) will carry over to the next plan year. Unused balances that exceed the carryover limit will be forfeited (use it or lose it).

Limited Purpose FSA

If you enroll in the HDHP or Basic HDHP medical plan and have a Health Savings Account (HSA), IRS eligibility rules for HSAs do not allow you to have a Health Care FSA.

If you enroll in either HDHP and would like an FSA, a Limited Purpose FSA is the solution. This type of FSA is available for reimbursement of dental and vision expenses only. In every other way this works just like the Health Care FSA, but eligible expenses are limited to eligible dental and vision expenses that are not paid or covered by insurance. The Limited Purpose FSA will not reimburse any medical or pharmacy expenses.

If you want to want to maximize your HSA savings and watch your HSA balance grow, a Limited Purpose FSA may be a valuable benefit to you. You may contribute up to the maximum permitted by the IRS ($3,050 for 2023) into a Limited Purpose FSA for 2023.

**Carryovers:** Unused balances of up to the maximum permitted by the IRS (20% of the annual election maximum, or $610 for 2023) will carry over to the next plan year. Unused balances over the $610 carryover limit will be forfeited (use it or lose it).

**Note:** 2024 Health Care and Limited Purpose FSA election limits have not been released by the IRS as of the date of this writing.
Flexible Spending Accounts —

**Dependent Care FSA**
A Dependent Care Flexible Spending Account (DCFSA), administered by PayFlex, provides you with the ability to set aside money on a pre-tax basis for day care expenses for your child, disabled parent or spouse. Generally, expenses will qualify for reimbursement if they are the result of care for:

- Your children under the age of 13, for whom you are entitled to a personal exemption on your federal income tax return.
- Your spouse or other dependent, including parents, who are physically or mentally incapable of self-care.

For the 2024 Plan Year, the maximum amount that you may contribute to a Dependent Care FSA is $5,000. The IRS has set the maximum allowable contribution per calendar year for a Dependent Care Flexible Spending Account as follows:

- $5,000 for a married couple filing jointly
- $5,000 for a single parent
- $2,500 for a married person filing separately

Carryovers are not permitted for Dependent Care Savings Accounts; unused funds not claimed prior to the end of the run-out period (through March 31, 2025) will be forfeited (use it or lose it). Please note that PayFlex does not issue a debit card for use with the Dependent Care FSA, you must submit receipts for reimbursement via the PayFlex portal or mobile app.

**Commuter Benefits**
The Commuter Benefit plan allows you to set aside money on a pre-tax basis to pay for parking or mass transit expenses as necessary for your commute to and from work. Funds remaining in your Transit and/or Parking accounts roll over from year to year for active employees. You may change your enrollment or election amount for the parking and/or transit benefit monthly during the plan year in Benefitfocus; this election is not limited to the open enrollment period. You may contribute up to the maximum permitted by the IRS ($300 per month for 2023) into a Parking and/or Transit account. Should you leave Swarthmore, any unused Transit or Parking funds will be forfeited.

**Note:** 2024 Commuter election limits have not been released by the IRS as of the date of this writing.

**DEBIT CARD**
FSA participants will receive an FSA debit card which can be used for:

- Qualified health care expenses
- Over the counter medications
- Eligible transit and parking expenses
- Limited Purpose FSA dental and vision expenses

**FSA RE-ENROLLMENT**
If you participated in an FSA account last year and want to participate again for the upcoming plan year, you must re-enroll and specify your annual election in Benefitfocus. Your election from the last plan year WILL NOT carry over to the new plan year.

Each plan year, Swarthmore allows you to elect up to the maximum permitted by the IRS ($3,050 in 2023).

**CLAIMS SUBMISSION**
You will have until March 31, 2025 to submit claims for reimbursement for expenses incurred between January 1, 2024 and December 31, 2024. Except for permissible FSA carryover amounts, unused balances will be forfeited if not claimed before March 31, 2025 (use it or lose it).

**MOBILE APP**
Be sure to download the PayFlex mobile app from the [App Store](https://appstore.com) or [Google Play](https://play.google.com).
Employee Assistance Plan (EAP)

Just when you think you have life figured out, along comes a challenge. Whether those challenges are big or small, Carebridge’s Employee Assistance Program is available to help you and your family find a solution and restore your peace of mind. Take advantage of the following services that are available to you and your family¹:

- Basic clinical and work/life support by phone or web
- Up to seven free face-to-face and/or virtual sessions per issue, per year for each family member with licensed behavioral clinicians
- 24/7 phone consultation with a Carebridge licensed clinician
- Monthly phone seminars on relevant topics
- Unlimited access to online research and other key resources related to emotional well-being, health, relationships, legal, financial and personal/professional growth
- Life events research and qualified referrals (i.e., childcare and eldercare providers)
- The EAP services are available at no cost to you, and are completely confidential.

¹The EAP is available to all Swarthmore College employees. Eligible family members include any related individual residing in the employee’s household, and any children up to age 26 living outside of the household.

Voluntary Long Term Care Insurance

Long Term Care Insurance covers expenses for long term care services whether received at home, in the community, or at a nursing facility.

This voluntary program, offered through the College’s partnership with Genworth, gives Swarthmore College employees access to Long Term Care insurance at competitive group rates and is available to employees (those working at least 26.5 hours per week) and their families! ² The coverage is portable, so it can move with you if you retire or leave the College.

Enrollment in this program is not subject to the annual Open Enrollment period; you are able to enroll at any time. To learn more about the plan coverage, eligibility requirements, and to gain access to enrollment materials and other helpful information, call 1-800-416-3624, or visit: www.genworth.com/swmore

Enter the Group Name: swmore & Access Code: groupltc

²Family members include siblings, parents and grandparents.
Health Advocate

Health Advocate understands the intricacies of the health care and insurance worlds. They also know how to make health care work for you and your family. It is easy to get help. All you need to do is make one phone call and Health Advocate will take care of the rest. Your Health Advocate benefit can be accessed 24/7. Normal business hours are Monday - Friday, between 8 am and 8 pm Eastern Time. Staff is available for assistance after hours and during weekends; however, you may need to leave a message to reach a representative outside of normal business hours. Swarthmore provides this benefit at no cost to you, and there is no cost to you to use Health Advocate’s services. **Health Advocate’s services are free and completely confidential.** Contact Health Advocate by calling 1-866-695-8622.

Here’s How It Works

As soon as you contact Health Advocate, you will be assigned a Personal Advocate who will work with you to resolve a health care problem. Each Personal Advocate is a trained professional who can assist with coordination of care, claim and related paperwork problems, fee negotiations, prescription drug issues and much more. In some circumstance, your Personal Advocate will be a Registered Nurse (as needed for health care situations).

How Health Advocate Can Help

Health Advocate complements basic health care coverage and can assist you in maximizing the benefits available through the Swarthmore College health plans. Many of the services available through Health Advocate are summarized below. In addition, Health Advocate can help you better understand and compare your benefit plan options – they are available as a resource to assist with your annual enrollment decisions!

Who is Covered?

Health Advocate is available to benefit-eligible employees, their spouse or domestic partner, dependent children up to age 26, parents and parents-in-law.

Your Personal Health Advocate Will:

- Take the time to listen to your concerns and carefully assess your issue or problem
- Find the right answers for your situation and make the necessary follow-up arrangements
- Protect your privacy and keep your information strictly confidential
- Act quickly and efficiently
- Always be on your side

MetLife Pre-Paid Legal Service

If you opt to enroll in the legal services program, you will have access to an extensive network of attorneys through MetLife Legal Plans (formerly Hyatt Legal Plans) for various types of legal matters. Services include, but are not limited to, estate planning, financial and real estate matters, defense of civil litigation, family law, and traffic offenses. MetLife provides you with telephone and office consultations for an unlimited number of matters with the attorney of your choice. This plan will also cover matters for you and your dependents1 at no additional cost. The fee for this service is $19.50 per month.

New for 2024! For non-covered matters that are not otherwise excluded, the MetLife Legal Plan now provides 4 extra hours of attorney time and services each plan year.

Contact MetLife by going to [www.legalplans.com](http://www.legalplans.com) or call 1-800-821-6400 for more information. To access plan details online, enter access code 6090009.

1Eligible dependents include your spouse, domestic partner, and dependent children up to age 26.

HTA Insurance Services

Are you or a loved one nearing retirement? Is your Medicare eligibility date (typically age 65) right around the corner? If you have questions about Medicare and the many plans available in the Medicare market, HTA Insurance Services is available to answer your questions. HTA’s services are available at no cost to Swarthmore employees, retirees and family members.

HTA will help you to understand Medicare, and for those that do not qualify for retiree health care benefits from Swarthmore College, HTA can do your insurance shopping for you. They work with over 40 insurance companies, with various Medicare products including Medicare Supplement, Medicare Advantage, Prescription Drug, Dental and Vision coverage. Once you select a plan, let HTA assist you with the enrollment process! HTA remains available for unlimited telephone support for any questions you have or to help with any issues that may arise. Visit [HTA’s website](http://www.legalplans.com) for more information, or call them at 610-430-6650.
Pets Best Pet Insurance

All Swarthmore employees have the opportunity to purchase insurance from Pets Best. Why pet insurance? Just like their human owners, pets can have unexpected medical expenses. Insuring your pet provides peace of mind when dealing with veterinary bills.

Pets Best pet insurance is a direct pay carrier. This means that you can enroll on their website and pay the monthly premium directly to Pets Best. Pets Best will provide a premium discount to Swarthmore employees, and that discount increases if more than one pet is enrolled - up to a 10% discount if 2 or more pets are enrolled¹. Pets Best offers coverage for dogs and cats age 7 weeks and older. Contact Pets Best directly to enroll your pets!

With Pets Best, you choose the type and amount of coverage you want:

- **Accident Only** - $250 deductible, then 90% reimbursement up to $10,000 per year
- **Accident & Illness** – customize your coverage level
  - Annual benefit limits from $5,000 to Unlimited
  - Annual Deductible from $50 to $1,000
  - Reimbursement percentage from 70% to 90%
- **Routine Care** – no deductible applies; plan pays a set amount per service based on the routine care option you choose

Visit [www.petsbest.com/SWPETS](http://www.petsbest.com/SWPETS) or call 1-888-984-8700 to get a quote or to enroll.

Reference discount code **SWPETS**.

¹Discounts do not apply to the cost for Routine Care coverage.
Additional Benefits —

**Bright Horizons**

Swarthmore College employees have access to emergency back-up childcare services, both In-Home and In-Center, for when unanticipated child care needs arise, through Bright Horizons.

This valuable resource is available to help you manage work, family and personal responsibilities. Bright Horizons can provide:

- **Support for Working Parents**
  - Help fill care gaps with back-up care in centers and at home; or jump ahead on the waitlist for full-time child-care. If you need a babysitter, use your free city Sittercity membership. You can also use Jovie, a high-touch Nanny Placement Service, and Right at School to find before and after school care.

- **Academic Support & Enrichment**
  - Get your child the help they may need with tutoring, test prep and educational enrichments.

- **Elder Care Support**
  - Book elder care when you need back-up care that is available in your home or theirs.

- **Household Support**
  - Through your free Sittercity membership, find pet care and house cleaning services.

**How to get started:**

- Log in to your mySwarthmore account and click the link for **Employee**, then click the link for **Bright Horizons**, next click on **Join Today** to begin your registration.
- The Bright Horizons contact center is open 24/7, 365 days a year, so someone will always be available. Bright Horizons can be reached at 1-877-BH-CARES (242-2737).
- Learn more at [https://clients.brighthorizons.com/swarthmorecollege](https://clients.brighthorizons.com/swarthmorecollege)
- There are no payroll deductions for this program, you pay them directly when services are rendered.
- A minimum of 4-hours notice is required for most services.
Swarthmore employees may be eligible to participate in the College’s Mandatory Basic Retirement Plan (403(b) Plan) after completing a one year waiting period and satisfaction of the 1,000 hours of service requirement. The one year waiting period may be waived upon the employee providing acceptable documentation of prior eligibility into a 403(b) plan. Please email benefits@swarthmore.edu for more information.

The Mandatory Retirement Plan includes:

- Employer contribution equal to 10% of your eligible base salary, and
- Mandatory employee contribution of 5.5% of your annualized eligible base salary over $20,000 (which is gross salary over $1,666.67 for monthly and $769.23 for biweekly paid employees).

There is no waiting period to make Voluntary Salary Deferrals to the 403(b), and there is no employer match for the voluntary program. The 2023 annual limit for voluntary contributions is $22,500; or if you are over age 50, you may make an additional catch-up of up to $7,500, for a total of $30,000.

There is an overall annual limit for the combination of employer contributions and employee elective (voluntary) salary deferrals to all 403(b) accounts (excluding catch-up) of $66,000.

To request “early entry” to the mandatory plan or to make voluntary 403(b) contributions, please email benefits@swarthmore.edu to request the appropriate forms, or access forms on the Human Resources Forms page.

Note: 2024 retirement contribution limits have not been released as of this writing.
Changing Your Benefits —

Qualified Life Events (QLE)
The Internal Revenue Service (IRS) rules state that employees enrolled in pre-tax benefit plans may only make elections or changes to their plans once per year. Because of these rules, your benefit elections (with the exception of Health Savings Account contributions and Transit/Parking elections) will be binding through December 31, 2024; however, you may make changes to your elections if you experience one or more of the following special circumstances, which are known as Qualifying Life Events (QLE):

- Marriage, divorce¹, annulment, or death of your spouse
- Confirmation or dissolution of domestic partnership or civil union
- Birth, adoption, placement for adoption or death of a dependent
- Commencement or termination of your or your spouse’s employment, change in work status (e.g., full-time to part-time), strike, lockout or commencement or return from an unpaid leave of absence
- Any event that causes your dependent to satisfy or cease to satisfy the requirement for coverage due to reaching an age limit, a change in student status, or similar circumstances
- A significant increase or decrease in the cost of a coverage option
- A significant curtailment of a coverage option, or significant improvement or addition of a coverage option
- A change in coverage under another employer’s plan (e.g., your spouse’s plan) or an open enrollment occurs for the employee, spouse, or dependent
- Enrolling in Medicare or Medicaid; or loss of Medicaid coverage (may impact a dependent)
- As required by a Qualified Medical Child Support Order (QMCSO)
- Loss of coverage under a state Children’s Health Insurance Program (CHIP) (only impacts the child who loses coverage)
- Enrollment under a qualified health plan offered by a state health insurance exchange due to you becoming eligible for a Special Enrollment Period (SEP) to obtain coverage under a qualified plan offered by a state insurance exchange (allows mid-year change to medical plan enrollment only)

¹Legally separated spouses continue to be eligible for the Plan’s benefits until the divorce is finalized. However, if a spouse’s employer plan does not continue coverage for legally separated spouses and you, or your eligible dependents, lose coverage under that plan, you may request a mid-year benefit election change.

All QLEs must be submitted through Benefitfocus and/or emailed to benefits@swarthmore.edu.

QUALIFIED LIFE EVENT CHANGES TO BENEFITS

Qualifying Life Events allow you to make plan changes outside of the College’s Annual Open Enrollment Period. For most allowable changes, you must inform Human Resources within 30 calendar days of the event, and provide supporting documentation; these requests with the supporting documentation must be submitted through Benefitfocus. For changes requested due to entitlement to premium assistance under Medicare or loss of coverage eligibility for Medicaid or CHIP, the request must be submitted to Human Resources within 60 days of the event. Requests for enrollment changes for all other reasons must be submitted within 30 days of the event.

Benefit changes requested due to a “change of mind” or requested more than 30 days after the event cannot be allowed until the next Annual Enrollment Period.
Learn about all of the benefits available to you and your family. All of your benefits information is stored in one easy to access location. Find links to carrier documents, forms, etc., including detailed benefits information for all of your company provided benefits.

# Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit [www.healthcare.gov](http://www.healthcare.gov).

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial 1-877-KIDS NOW or [www.insurekidsnow.gov](http://www.insurekidsnow.gov) to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, contact the Department of Labor at [www.askebsa.dol.gov](http://www.askebsa.dol.gov) or call 1-866-444-EBSA (3272).

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2023. Contact your State for more information on eligibility –

Women’s Health and Cancer Rights Act Annual Notice

Do you know that your plan, as required by the Women’s Health and Cancer Rights Act of 1998, provides benefits for mastectomy-related services including all stages of reconstruction and surgery to achieve symmetry between the breasts, prostheses, and complications resulting from a mastectomy, including lymphedema? Call your plan administrator for more information.

HIPAA Notice of Availability of Notice of Privacy Practices

In compliance with the Health Insurance Portability and Accountability Act of 1996 (HIPAA), your employer recognizes your right to privacy in matters related to the disclosure of health-related information. The Notice of Privacy Practices (provided to you upon your enrollment in the health plan and at least every three years) details the steps your employer has taken to assure your privacy is protected. The Notice also explains your rights under HIPAA. A copy of this Notice is also available to you at any time, free of charge, by request through your Human Resources Department.
Your Rights and Protections Against Surprise Medical Bills

When you get emergency care or get treated by an out-of-network provider at an in-network hospital or ambulatory surgical center, you are protected from surprise billing or balance billing.

What is “balance billing” (sometimes called “surprise billing”)?

When you see a doctor or other health care provider, you may owe certain out-of-pocket costs, such as a copayment, coinsurance, and/or a deductible. You may have other costs or have to pay the entire bill if you see a provider or visit a health care facility that isn’t in your health plan’s network.

“Out-of-network” describes providers and facilities that haven’t signed a contract with your health plan. Out-of-network providers may be permitted to bill you for the difference between what your plan agreed to pay and the full amount charged for a service. This is called “balance billing.” This amount is likely more than in-network costs for the same service and might not count toward your annual out-of-pocket limit.

“Surprise billing” is an unexpected balance bill. This can happen when you can’t control who is involved in your care—like when you have an emergency or when you schedule a visit at an in-network facility but are unexpectedly treated by an out-of-network provider.

You are protected from balance billing for:

Emergency services

If you have an emergency medical condition and get emergency services from an out-of-network provider or facility, the most the provider or facility may bill you is your plan’s in-network cost-sharing amount (such as copayments and coinsurance). You can’t be balance billed for these emergency services. This includes services you may get after you’re in stable condition, unless you give written consent and give up your protections not to be balanced billed for these post-stabilization services.

Certain services at an in-network hospital or ambulatory surgical center

When you get services from an in-network hospital or ambulatory surgical center, certain providers there may be out-of-network. In these cases, the most those providers may bill you is your plan’s in-network cost-sharing amount. This applies to emergency medicine, anesthesia, pathology, radiology, laboratory, neonatology, assistant surgeon, hospitalist, or intensivist services. These providers can’t balance bill you and may not ask you to give up your protections not to be balance billed.

If you get other services at these in-network facilities, out-of-network providers can’t balance bill you, unless you give written consent and give up your protections.

You’re never required to give up your protections from balance billing. You also aren’t required to get care out-of-network. You can choose a provider or facility in your plan’s network.
When balance billing isn’t allowed, you also have the following protections:

- You are only responsible for paying your share of the cost (like the copayments, coinsurance, and deductibles that you would pay if the provider or facility was in-network). Your health plan will pay out-of-network providers and facilities directly.
- Your health plan generally must:
  - Cover emergency services without requiring you to get approval for services in advance (prior authorization).
  - Cover emergency services by out-of-network providers.
  - Base what you owe the provider or facility (cost-sharing) on what it would pay an in network provider or facility and show that amount in your explanation of benefits.
  - Count any amount you pay for emergency services or out-of-network services toward your deductible and out-of-pocket limit.

If you believe you’ve been wrongly billed, or for more information about your rights, you may file a complaint with the federal government and access more information at [https://www.cms.gov/nosurprises/consumers](https://www.cms.gov/nosurprises/consumers) or by calling 1-800-985-3059.
MEDICARE PART D — CREDITABLE COVERAGE DISCLOSURE NOTICE

Important Notice from Swarthmore College About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Swarthmore College and about your options under Medicare’s prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare’s prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.

2. Swarthmore College has determined that the prescription drug coverage offered by the College’s Independence Blue Cross plans is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

WHEN CAN YOU JOIN A MEDICARE DRUG PLAN?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

WHAT HAPPENS TO YOUR CURRENT COVERAGE IF YOU DECIDE TO JOIN A MEDICARE DRUG PLAN?

If you decide to join a Medicare drug plan, your current Swarthmore College coverage will not be affected. If you elected Medicare Part D, the Swarthmore College plan will coordinate with the Part D coverage, provided you remain actively employed. However, enrollment in any part of Medicare will make you ineligible to put money into a Health Savings Account.

If you do decide to join a Medicare drug plan and drop your current Swarthmore College coverage, be aware that you and your dependents will not be able to get this coverage back until the next annual open enrollment or if/when you experience a qualifying life event.
WHEN WILL YOU PAY A HIGHER PREMIUM (PENALTY) TO JOIN A MEDICARE DRUG PLAN?

You should also know that if you drop or lose your current coverage with Swarthmore College and don’t join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

FOR MORE INFORMATION ABOUT THIS NOTICE OR YOUR CURRENT PRESCRIPTION DRUG COVERAGE...

Contact the Human Resources Office (whose information is provided below) for further information. NOTE: You’ll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through Swarthmore College changes. You also may request a copy of this notice at any time.

FOR MORE INFORMATION ABOUT YOUR OPTIONS UNDER MEDICARE PRESCRIPTION DRUG COVERAGE...

More detailed information about Medicare plans that offer prescription drug coverage is in the “Medicare & You” handbook. You’ll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:

- Visit www.medicare.gov
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the “Medicare & You” handbook for their telephone number) for personalized help
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at www.socialsecurity.gov, or call them at 1-800-772-1213 (TTY 1-800-325-0778).

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

Notice Regarding Wellness Program

Independence Blue Cross’ (Independence) Achieve Well Being Program is a voluntary wellness program available to all employees enrolled in an Independence plan with Swarthmore College. The program is administered according to federal rules permitting employer-sponsored wellness programs that seek to improve employee health or prevent disease, including the Americans with Disabilities Act of 1990, the Genetic Information Nondiscrimination Act of 2008, and the Health Insurance Portability and Accountability Act, as applicable, among others. If you choose to participate in the wellness program you will be asked to complete a voluntary health risk assessment or “HRA” that asks a series of questions about your health-related activities and behaviors and whether you have or had certain medical conditions (e.g., cancer, diabetes, or heart disease). You are not required to complete the HRA.

The information from your HRA will be used to provide you with information to help you understand your current health and potential risks, and may also be used to offer you services through the wellness program, such as health coaching. You also are encouraged to share your results or concerns with your own doctor.

PROTECTIONS FROM DISCLOSURE OF MEDICAL INFORMATION

We are required by law to maintain the privacy and security of your personally identifiable health information. Although the wellness program and Swarthmore College may use aggregate information it collects to design a program based on identified health risks in the workplace, Independence’s Achieve Well Being Program will never disclose any of your personal information either publicly or to the employer, except as necessary to respond to a request from you for a reasonable accommodation needed to participate in the wellness program, or as expressly permitted by law. Medical information that personally identifies you that is provided in connection with the wellness program will not be provided to your supervisors or managers and may never be used to make decisions regarding your employment.

Your health information will not be sold, exchanged, transferred, or otherwise disclosed except to the extent permitted by law to carry out specific activities related to the wellness program, and you will not be asked or required to waive the confidentiality of your health information as a condition of participating in the wellness program. Anyone who receives your information for purposes of providing you services as part of the wellness program will abide by the same confidentiality requirements. The only individual(s) who will receive your personally identifiable health information is a health coach in order to provide you with services under the wellness program.

In addition, all medical information obtained through the wellness program will be maintained separate from your personnel records, information stored electronically will be encrypted, and no information you provide as part of the wellness program will be used in making any employment decision. Appropriate precautions will be taken to avoid any data breach, and in the event a data breach occurs involving information you provide in connection with the wellness program, we will notify you immediately.

You may not be discriminated against in employment because of the medical information you provide as part of participating in the wellness program, nor may you be subjected to retaliation if you choose not to participate.

If you have questions or concerns regarding this notice, or about protections against discrimination and retaliation, please contact Swarthmore College’s Human Resource Department at 610-328-8397, or Benefits@Swarthmore.edu.
Your Employee Rights Under the Family and Medical Leave Act

WHAT IS FMLA LEAVE?
The Family and Medical Leave Act (FMLA) is a federal law that provides eligible employees with job-protected leave for qualifying family and medical reasons. The U.S. Department of Labor’s Wage and Hour Division (WHD) enforces the FMLA for most employees.

Eligible employees can take up to 12 workweeks of FMLA leave in a 12-month period for:

• The birth, adoption or foster placement of a child with you,
• Your serious mental or physical health condition that makes you unable to work,
• To care for your spouse, child or parent with a serious mental or physical health condition, and
• Certain qualifying reasons related to the foreign deployment of your spouse, child or parent who is a military servicemember.

An eligible employee who is the spouse, child, parent or next of kin of a covered servicemember with a serious injury or illness may take up to 26 workweeks of FMLA leave in a single 12-month period to care for the servicemember.

You have the right to use FMLA leave in one block of time. When it is medically necessary or otherwise permitted, you may take FMLA leave intermittently in separate blocks of time, or on a reduced schedule by working less hours each day or week. Read Fact Sheet #28M(c) for more information.

FMLA leave is not paid leave, but you may choose, or be required by your employer, to use any employer-provided paid leave if your employer’s paid leave policy covers the reason for which you need FMLA leave.

AM I ELIGIBLE TO TAKE FMLA LEAVE?
You are an eligible employee if all of the following apply:

• You work for a covered employer,
• You have worked for your employer at least 12 months,
• You have at least 1,250 hours of service for your employer during the 12 months before your leave, and
• Your employer has at least 50 employees within 75 miles of your work location.

Airline flight crew employees have different “hours of service” requirements.

You work for a covered employer if one of the following applies:

• You work for a private employer that had at least 50 employees during at least 20 workweeks in the current or previous calendar year,
• You work for an elementary or public or private secondary school, or
• You work for a public agency, such as a local, state or federal government agency. Most federal employees are covered by Title II of the FMLA, administered by the Office of Personnel Management.

HOW DO I REQUEST FMLA LEAVE?
Generally, to request FMLA leave you must:

• Follow your employer’s normal policies for requesting leave,
• Give notice at least 30 days before your need for FMLA leave, or
• If advance notice is not possible, give notice as soon as possible.

You do not have to share a medical diagnosis but must provide enough information to your employer so they can determine whether the leave qualifies for FMLA protection. You must also inform your employer if FMLA leave was previously taken or approved for the same reason when requesting additional leave.
Your employer may request certification from a health care provider to verify medical leave and may request certification of a qualifying exigency.

The FMLA does not affect any federal or state law prohibiting discrimination or supersede any state or local law or collective bargaining agreement that provides greater family or medical leave rights.

State employees may be subject to certain limitations in pursuit of direct lawsuits regarding leave for their own serious health conditions. Most federal and certain congressional employees are also covered by the law but are subject to the jurisdiction of the U.S. Office of Personnel Management or Congress.

**WHAT DOES MY EMPLOYER NEED TO DO?**

If you are eligible for FMLA leave, your employer must:

- Allow you to take job-protected time off work for a qualifying reason,
- Continue your group health plan coverage while you are on leave on the same basis as if you had not taken leave, and
- Allow you to return to the same job, or a virtually identical job with the same pay, benefits and other working conditions, including shift and location, at the end of your leave.

Your employer cannot interfere with your FMLA rights or threaten or punish you for exercising your rights under the law. For example, your employer cannot retaliate against you for requesting FMLA leave or cooperating with a WHD investigation.

After becoming aware that your need for leave is for a reason that may qualify under the FMLA, your employer must confirm whether you are eligible or not eligible for FMLA leave. If your employer determines that you are eligible, your employer must notify you in writing:

- About your FMLA rights and responsibilities, and
- How much of your requested leave, if any, will be FMLA-protected leave.

**WHERE CAN I FIND MORE INFORMATION?**

Call 1-866-487-9243 or visit dol.gov/fmla to learn more.

If you believe your rights under the FMLA have been violated, you may file a complaint with WHD or file a private lawsuit against your employer in court. Scan the QR code to learn about our WHD complaint process.
HIPAA Notice of Special Enrollment Rights

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing towards your or your dependents’ other coverage). However, you must request enrollment no more than 30 days after your or your dependents’ other coverage ends (or after the employer stops contributing toward the other coverage).

If you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

If you decline enrollment for yourself or for an eligible dependent (including your spouse) while Medicaid coverage or coverage under a state children’s health insurance program is in effect, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage. However, you must request enrollment within 60 days after your or your dependents’ coverage ends under Medicaid or a state children’s health insurance program.

If you or your dependents (including your spouse) become eligible for a state premium assistance subsidy from Medicaid or through a state children’s health insurance program with respect to coverage under this plan, you may be able to enroll yourself and your dependents in this plan. However, you must request enrollment within 60 days after your or your dependents’ determination of eligibility for such assistance.

To request special enrollment or obtain more information, contact Swarthmore College Human Resources at 610-328-8397, or benefits@swarthmore.edu.
HEALTH INSURANCE MARKETPLACE COVERAGE OPTIONS AND YOUR HEALTH COVERAGE

PART A: GENERAL INFORMATION
When key parts of the health care law took effect in 2014, there were new ways to buy health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the Marketplace and employment based health coverage offered by your employer.

What is the Health Insurance Marketplace?
The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers “one-stop shopping” to find and compare private health insurance options. You may also be eligible for a tax credit that lowers your monthly premium right away. Open enrollment for health insurance coverage through the Marketplace begins in November 2023 for coverage starting as early as January 1, 2024.

Can I Save Money on my Health Insurance Premiums in the Marketplace?
You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn’t meet certain standards. The savings on your premium that you’re eligible for depends on your household income.

Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?
Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer’s health plan. However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 8.39% (for 2024) of your household income for the year, or if the coverage your employer provides does not meet the “minimum value” standard set by the Affordable Care Act, you may be eligible for a tax credit.1

Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution -as well as your employee contribution to employer-offered coverage- is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

How Can I Get More Information?
For more information about your coverage offered by your employer, please check your summary plan description or contact Swarthmore College Human Resources at 610-328-8397, or benefits@swarthmore.edu. The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit HealthCare.gov for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

1 An employer-sponsored health plan meets the “minimum value standard” if the plan’s share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs.
PART B: INFORMATION ABOUT HEALTH COVERAGE OFFERED BY YOUR EMPLOYER

This section contains information about any health coverage offered by your employer. If you decide to complete an application for coverage in the Marketplace, you will be asked to provide this information. This information is numbered to correspond to the Marketplace application.

Here is some basic information about health coverage offered by this employer:

You are considered benefit eligible if you have a regular position of 0.5 full-time equivalent (‘FTE’) or greater.

With respect to dependents:

☑️ We do offer coverage. Eligible dependents are: 1. Spouse who is legally married to you and is treated as a spouse under the Internal Revenue Code of 1986, or Domestic Partner; 2. Your/domestic partner’s son, daughter, stepchild, legally adopted child or eligible foster child who has not yet attained age 26.

☑️ This coverage meets the minimum value standard, and the cost of this coverage to you is intended to be affordable**, based on employee wages.

** Even if your employer intends your coverage to be affordable, you may still be eligible for a premium discount through the Marketplace. The Marketplace will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. If, for example, your wages vary from week to week (perhaps you are an hourly employee or you work on a commission basis), if you are newly employed mid-year, or if you have other income losses, you may still qualify for a premium discount.

If you decide to shop for coverage in the Marketplace, HealthCare.gov will guide you through the process. The employer information you’ll enter when you visit HealthCare.gov to find out if you can get a tax credit to lower your monthly premiums is included above.
